

Agriculture Safety

Educational Display Contest

Build a 4-H educational display on **“Be an AgSafe Family”** highlighting the benefits of safety at home or on the farm. Exhibit and travel to the PNE, take part in 4-H week at the PNE and win great prizes!

Agriculture Safety

Some suggestions for your display:

- * How can youth be safety champions in agriculture?
- * What are some safe animal handling practices?
- * How do farmers implement safety on their farms?
- * What can you do to make your home safe?
- * What does an AgSafe Family look like?
- * Why is safety so important in agriculture and the home?

Best Buy Gift Certificates

- 1st Place: \$400
- 2nd Place: \$250
- 3rd Place: \$150
- 4th to 10th Places: \$75 each

This program is supported by WorkSafeBC

One outstanding educational display will be chosen to represent the PNE at the BC Association of Agricultural Fairs and Exhibitions conference and will compete with displays from around the province for additional prizes.

WorkSafeBC is dedicated to promoting workplace health and safety for the workers and employers of B.C.

The objective is to advance both the individual producer and entire agriculture sector while benefiting local communities.

All 4-H BC members are eligible (one member per display). The contest is for 2016 PNE only, classes are **5618 Junior** (ages 9 - 11), **5619 Intermediate** (ages 12 - 14), **5620 Senior** (ages 15+).

In addition to the displays, there will be an educational seminar on **Monday August 22, 2016**. Attendance is mandatory for all participants unless competing with other projects at that time.

Check the latest PNE Prize Book for entry form and deadlines.

The details and entry forms will be in the PNE prize book—look for it in May.
